There was a time when I was really, really shy. I wore horn-rim glasses, had braces and covered up all the way up to my neck. That was two years ago. Then I went to college and saw a whole new world. I got contacts, my braces off and decided clothes were for winter. Oh – and guys. I discovered guys and cocks!

I have only been with a few guys sexually. I'm just not that adventurous, but I am very competitive. So when my college roomie challenged me that I was too conservative to fuck two guys, I almost didn't do it. My competitive nature got the best of me and so did these two guys. I loved it and won the bet.

CALL AND TELL ME THAT I HAVE A CUTE PUSSY 888-874-8474 MUST BE 18 TO CALL

come on over

my cock welcomes our neighbor with a push and a thrust

I'm writing to tell you about my neighbor, Beverly. She's smallish, about 5' 2" with ample breasts and a round little ass guys dream about. She has long blonde hair with an oval face and full pouty lips. I have the largest pool in the cul-de-sac where we live, so I'm the ones always throwing the parties. In the summer that's at least once a week and since we live in Arizona, they continue until Christmas. For a year now, Beverly and I have been flirting at the pool and sometimes talk about going a little further, but we never do. So today, it seemed that she enjoyed my flirtation because she flirted right back. We were sitting at the pool bar and she would brush my leg or squeeze my thigh as the alcohol dimmed her senses, but I didn't mind. One time she caught me looking at her boobs when her nipples were pushing hard against her bikini top. I looked away but she patted my butt, so I guess it was fine.

I have a business that allows me to work from home. That next Wednesday, I heard the doorbell ring and when I answered it was Beverly at the door with a large bag from a take-out Chinese restaurant. She asked if I would have lunch with her since she brought enough for two. I looked in the bag and said "Sure, but only if I can open some wine." We both laughed and headed for the kitchen. She laid out the food and I popped the cork on a nice bottle of pinot grigio.

Thomas, her husband was always away from the city on his company's business. She rambled on about the

cities he went to, and this was not what she signed up for, and how she found it hard to fill her days. I tried to listen but that was difficult to do with her standing there in that short red dress that clung to her firm ass and the low cut top that barely covered her areolas. As I looked closer, I realized she wasn't wearing a bra, and again she caught me sneaking a peek at her cleavage. Of course, my cock stiffened up and I was embarrassed to get out of my chair. She was leaning on the counter a few feet away when she caught me looking and then she smiled at me and said, "It's nice when a man notices a woman."

I think I blushed and she took a couple steps over to me and said, "You should get back to work. I'm sorry I kept you so long." I told her it was okay. That I was just wrapping it up for the day, anyway. After some more small talk, I was so horny from the wine, I looked at her and said, "Well, since you didn't bring any desert..." She put a finger to my lips and replied "Actually, I did."

Leaning over, she gave me a soft kiss on the cheek and slid her lips over to my lips. With her head bent down, she noticed the bulge in my pants and ran her hand down there to check if it was me or my keys. I felt her squeeze the hard flesh through my pants and she lightly tongued me as she did. I reached behind her and put my arm around her waist and down to her butt. She reached around me and pulled me up and out of my seat.

FANTASIES FOR SALE

I used to be a shy and innocent girl who didn't even know the facts of life. I got over that pretty quickly and now I'm all about the fucks of life.

it's nice to have a cute sexy neighbor that s willing to bring dessert. Hank, Tempe, AZ

She turned away from me and asked if I would bring the wine glasses into the living room. I said "Sure." and poured a couple more inches into each of them. As I entered the room, I saw her untie her shoulder straps and watched as her dress fell off. No bra, but she also wasn't wearing any panties. Now her naked body stood in front of me and it was even sexier than I ever imagined.

I stared at her perfect breasts with their light brown nipples. She turned sideways and picked up her dress off the floor and tossed it on a chair. "Are you ready for dessert?" she asked as she straightened up and walked over to me. I gave her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt, and not even undoing my belt, jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out. She stroked it a few times and knelt in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she engulfed my cock using my balls to pull it in.

After several minutes, she pulled her mouth off my cock and sat down on the edge of the sofa. She leaned back and spread her legs. I knelt in front of her and started to lick her dripping wet pussy. I put my arms under her knees and lifted her legs so I could get a better angle at her clit. She reached down and pulled my cock into her wet pussy as she arched back at the first thrust. As I penetrated her again and again, her pussy

squished at every thrust and I felt her juices running down my balls and thighs. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached around our butts to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Now it was her turn and she ground her hips into my cock. I grabbed each nipple and gave them a soft twist and squeeze as she came with a big grin on her face.

As we lay there on the sofa in our sweat, she was playing gently with my cock and balls. I asked if we could do it again. She bent down and kissed the tip of my cock and said she'd be happy to bring dessert over again tomorrow.

toy time *sometimes the best sex is when your lover is plastic*

It's another Saturday night and I'll be going out in a couple hours with some friends. I had just stepped out of the shower. Freshly shaved and feeling silky smooth I was admiring myself in the mirror. Turning this way and that as I ran my hands over my moist skin. As I was feeling my ass, I started to get a little turned on. Bending over, I pulled my cheeks apart to see my tight hole in the mirror. I stuck a finger in some lotion and started to tease it as I moaned slightly. But I needed something more than a finger. So I went to my bedroom to try out my newest toy.

the only thing that had ever been in my ass was my finger, until now.. LouAnn, El Paso, TX

I bought it online from a large adult toy store and it just came yesterday. It's eight flesh-colored inches of pure pleasure. It has a suction base and a thick shaft so I stuck it to the wall waist high and got down on my knees and marveled at it's soft hardness. Closing my eyes and pretending, I started kissing it lightly on it's thick shaft. My tongue darting out to lick it. My kisses came quicker as my mouth started to water. Taking the shaft in my hand, I wrapped my lips around the hard pinkish head sucking gently. My head started moving rhythmically in and out and my hand moved in unison. Further and further it went into my mouth and before I knew it the thing was touching the back of my mouth.

Opening my eyes, I could see there was still about two more inches of simulated man-meat to go but there was no room left in my mouth. 'Could it fit down my throat?' I thought as I kept bobbing my head. Deciding to give it a try, I brought the head to the back of my mouth again. Trying to relax my throat muscles I pushed a little bit more in. One inch... I couldn't breathe! I felt like gagging! Here I was with seven inches of plastic love muscle in my mouth and throat. I couldn't give up now! So breathing through my nose I pushed the rest in until my lips were touching the hard ball sack.

I couldn't believe it! I had just deep throat something eight inches long! Slowly I pulled my head back. Feeling it slide out of my throat and over my tongue. Holding the head in my mouth, spit falling from my mouth in long strands I knew what I needed to do now. Moving my fake love pump so it was lower I grabbed a bottle of lube. Even though it was covered in my saliva I knew what I was planning was gonna require a lot of slick-

ness. Squirting a good amount on it, I slowly jerked it for a few seconds preparing it to be nice and slick. When I was ready I turned around, took my slippery fingers and poked them into my tight back door.

Wanting more than my fingers in me, I reached between my legs and brought the head to my slippery ass. Feeling the tip press against me, I slowly inched backwards. I could feel it opening me up. I rocked back and forth gently letting things go slow. It was getting thicker the more it went in. Again, I closed my eyes as I moved back and forth on the shaft. 'I love your cock in my ass.' escaped my lips as I took more inside of me. Moaning deeply and arching my back, I pushed backwards until my ass hit the wall.

'Damn!' I said out loud. It felt so good having eight inches stuffed deep in my brown hole. Slowly I started to pull out, feeling every veiny inch of wonder. I started moving back and forth. Slow at first but getting faster with every thrust. I grunted as I slid that monster in and out faster and faster. Feeling myself getting ready to explode I buried my fake fuck friend as deep as it would go as I came. My body shook as my love juices flew out. Breathing deep, body shaking with my ass pressed tight against the wall, I moaned contentedly. Holding myself there, in that position, I let my girl goo dribble onto the floor.

As I pulled myself off my rubber lover, I curled up on the floor right underneath it. With a few quick rubs of my clit, I came once again, feeling almost complete in my pleasure. I crawled over to my bed and climbed in for a quick nap before Saturday night hit.

When I found out I was going to be on the cover of *Hot Cuties*, I got so excited, I told everyone I know. I don't consider myself hot but I'll take cute. I go to great lengths to look cute, even when I'm fucking. I make cute faces and cute sounds when I fuck. You should hear and see me so go online and watch

There are days when getting out of bed is such a chore, and this is one of them. I got dressed to go to the store but decided I would best spend my day in bed. Then Alex showed up and tried to get me to go. But convinced him to stay by sucking his cock and letting him fuck me. Boys are so easy to get them to do what you want. Are you that easy, too?

DO YOU LIKE WATCHING ME GET FUCKED? 800-915-4674 MUST BE 18 TO CALL

I've started writing a diary, but it reads more like a sex book

MY PRIVATE THOUGHTS

My name is Claire and I'm twenty-two. I recently moved back home and it's been a tough adjustment. So to keep my sanity, I've decided to keep a diary and keep myself occupied. I help around the house as much as I can much as I can. Here's a look at my last week. It started out a little boring but things picked up. I decided to type this up and gave it to my girlfriend to send it off to this magazine so you could read it, too.

Saturday, April 19

I've just separated from my husband of only two years. It had been a rough union and perhaps we married too soon. I was warned about him and now I know I was wrong. So tonight I'm about to get ready for a dinner party. There's a rich old lady coming over who just moved into the neighborhood. This isn't what I bargained for, but if I'm going to be in the house, I have to abide by house rules.

Sunday, April 20

Last night we had a welcoming dinner party for our new neighbor. It was not quite as I pictured it would be. Our new neighbor, I mean. She wasn't quite as old as she was made to be; she's probably about forty or so. Anyway, she's really beautiful. She was wearing a short black dress, and she has really long legs and wavy black hair. And she had a sexy name: Camille. She and I had a nice rapport and she asked me if I wasn't doing anything for a week or so, could help her by walking her dog, Sammy, until she settled in and found a full-time

dog walker. I said I could do it for the next week. I don't really want to walk her dog but I said yes so I could see her again. All through dinner I kept glancing at her breasts, and her lips. I was so happy whenever she was talking because then I had a reason to look at her. Is it possible to have a crush on a woman? It's never happened to me before!

Monday, April 21

It's nine in the morning and I went to Camille's house to begin my dog walking obligation. She answered the door wearing a short robe and had no makeup on, but she's even prettier without it! She invited me in and as she was telling me about her dog, she started getting dressed right in front of me! She didn't seem shy at all! I felt my pussy start to tingle in my panties because I was getting a little excited watching her. It was the way I feel when I have to masturbate.

Without finishing dressing, she put Sammy on his leash and handed it to me. As she bent down to pick him up for a doggie kiss, I couldn't help but stare at her body and breasts. All that she had managed to put on were pink lace panties and one sheer black stocking under her robe. She caught me looking, smiled, but didn't say anything. I was too embarrassed to say anything else to her. She handed me her dog and I walked out the door. I heard the door close behind me and I started my walk with Sammy.

Tuesday, April 22

It's nine in the morning and I'm ringing Camille's doorbell again. So today I tell myself I'm not going to think any perverted thoughts about Camille, no matter what. And I felt really sure of myself until Camille came to the door wearing nothing but a red lace bra and matching thong this time. Again, I couldn't help but stare at her marvelous body and beautiful face. "You're always showing up when I'm getting dressed," she said.

She goes back into the house to look for Sammy's leash when she asks, "The other night at our dinner, you said you are now separated from your husband?" And I said "Yes, it didn't work out. I think I was probably too young to be married."

"My meeting's at ten this morning. If you want, please come in and have a cup of coffee with me before you walk Sammy," she says. I wish I had something else to do so I could tell her I was busy, but my mouth blurts out, "I'd like that, thank you." I looked at her and I realized she was staring at me. Breaking the stare, she leads the way to the kitchen with me following.

"Cream and sugar, or do you like yours black?" she asks. "Cream but no sugar," I respond. Handing me the cup, she says in a breathy voice, "You don't really want to walk Sammy?" She was kind of biting on her lower lip and trying not to smile. "What do you mean?" I said. So she came over and put her face really close to mine, and says "You really want something else, don't you?" And then, she leaned in and kissed me!

Suddenly my breathing stopped, but I didn't care. Her tongue felt soft and slippery and her lips were like big marshmallows. She then took my hand and led me to the bedroom and pushed me down on the

bed and started to take off my jeans. It was all happening so fast that I didn't have time to be shy or anything. Then she started nibbling on my thighs, giving me little kisses and little bites all around my thighs and getting closer and closer to my panties. Finally she got there and started breathing on my pussy with hot little breaths. She reaches my panties and brushes her lips across them.

Her hands come up on either side of my hips and pull my panties off. She looks me straight into my eyes and I feel her tongue part my labia and seek my little pearl. Then she puts her lips right on my clit and gives it a long, lingering kiss. She swirls her tongue in my wetness and sucks carefully, pulling and pushing my clit in its sheath. Her tongue then seeks my private entrance, pushing the gates aside and penetrates me.

I move my hips to keep my pussy on her mouth and soon I feel my orgasm starting. She must have felt it too because she sat back and smiled and wiped her lips. Looking up at me, I see my juices all around her mouth glistening in the morning light. She gets up and makes for the bathroom and I hear the faucet turn on. I hastily get dressed and poke my head into the bathroom and tell her I'm going to walk Sammy now.

Wednesday, April 23

It was a restless night for me because all I thought about was yesterday morning. Her lips, her tongue. I have to go over again today to walk Sammy and I have to tell her how I feel. I know she'll probably think I'm a crazy person or if she'll take my confessions to heart and feel the same things that I'm feeling. I'll know shortly.

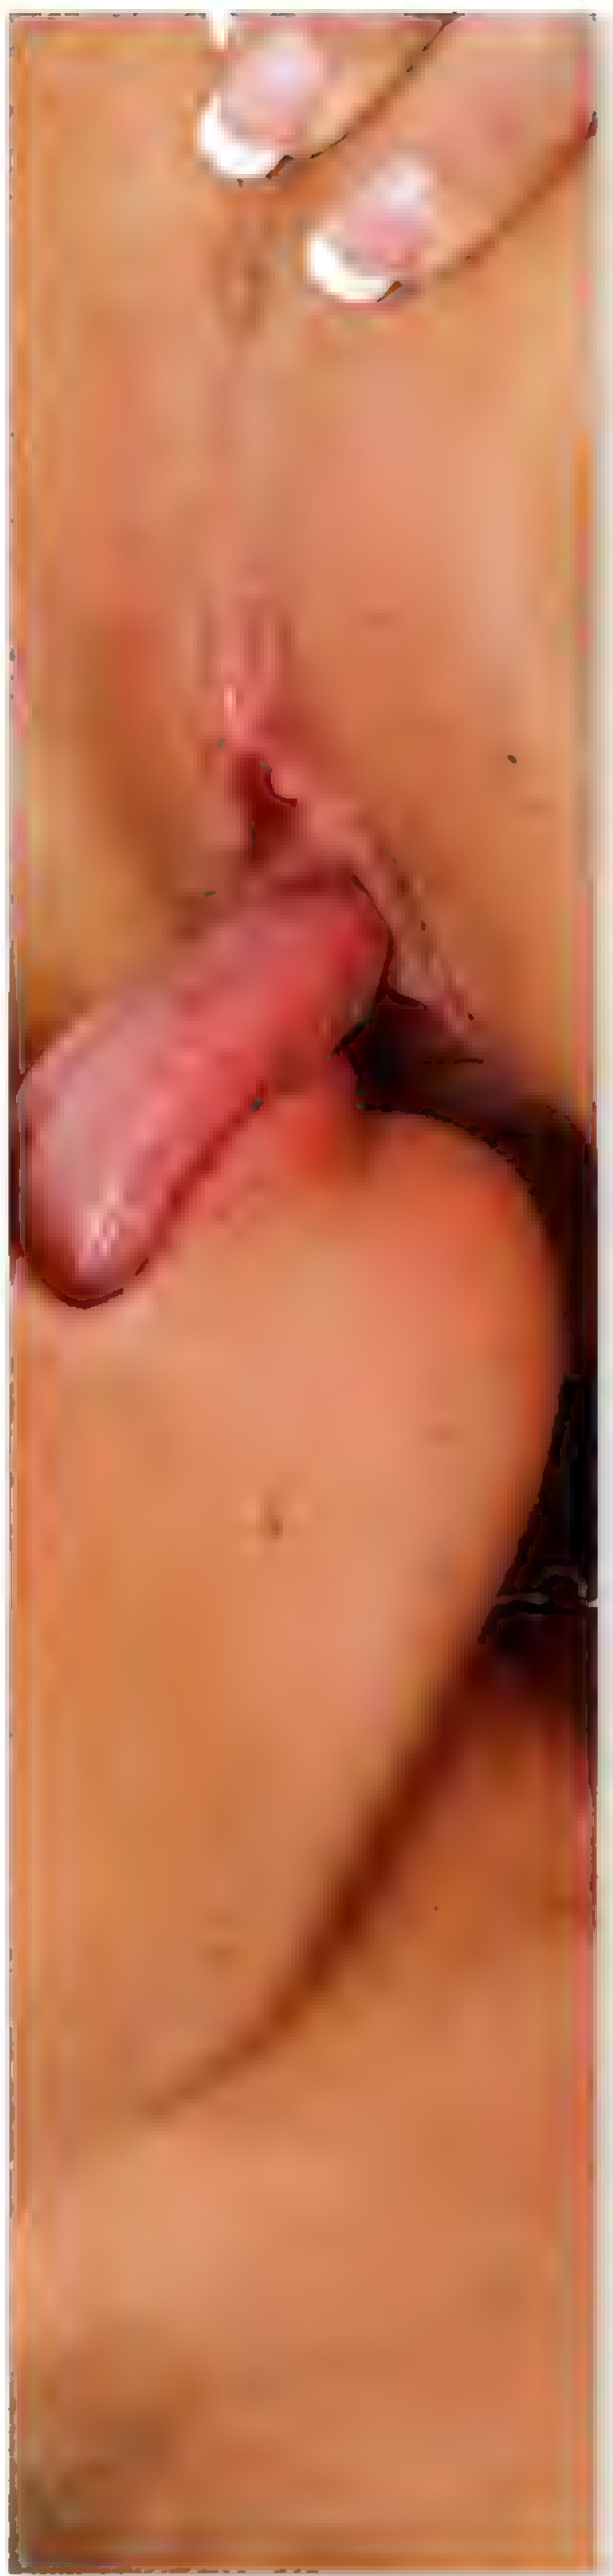

When the door opened, she was dressed for once wearing a dressy sleeveless blouse and black pencil

skirt and full make up for a day at the office. I noticed how toned and muscular her arms were. She didn't invite me in but says sharply, "I've already walked him this morning."

"Camille, if you have a minute, I'd like to talk with you about something. It won't take long, I promise." I say to her standing on her stoop. She steps back into her house and gestures me inside. We sit on the sofa and she looks at me expectantly. With some hesitation I begin by telling her that she's beautiful. I tell her that I'd never been with a woman before yesterday and it wasn't like anything I had felt before. She smiles at me and I want to tell her more. But instead I just pull her close and start to kiss her. She responds to my kiss as I put my hand behind her neck and pull her closer and deeper into my mouth. She bites my lip and the mixture of pleasure and pain gets me even more turned on.

I pulled her shirt and bra off, and began kissing her light brown nipples and fondling her perfect breasts. I must have been doing a good job because she was breathing and moaning heavily and said in a hush, "Baby, take off my skirt." I push her back on the sofa and reach to the side to unzip her skirt. She lifts her hips up and I pull it off, and her panties, too. I slid down to her pussy lips that were hidden ever so slightly by a mound of perfectly coiffed pussy hair. It was sticky and moist from our kiss and about to become wetter.

I was a pussy eating virgin so I just shoved my face right between her legs and started licking all around her lips and then the inside her sopping wet hole. I felt the knob my tongue was searching for above her hole and I started licking it softly. My hands were on her breasts and my fingers were twirling and pinching her half-inch hard nipples. Suddenly she grabbed me by the hair and pulled my mouth closer into her pussy as

she screamed "Baby, I'm cumming!" I felt something warm and wet on my lips and I knew she was having an orgasm. I looked up at her and her eyes were pushed back in her head, half open half closed, all ecstasy.

I stand up and adjust my clothes. She sits up and smiles at me. "That was nice but I still have to go to work. Can we talk tomorrow?"

Thursday, April 24

Today is Thursday and I've known Camille for five days. Yesterday I didn't get a chance to tell her what I felt, so I'm on my way now to do so. She answers the door, this time a bit more disheveled than I have seen her before. But even like this she looks so very hot. "Please walk Sammy and when you come back I'll be ready." she says with a small sleepy grin.

When I finished, I let myself in and take Sammy's leash off. I call to Camille and see her standing in the bedroom hallway wearing only sheer stockings. "You still want to talk?" she coos and walks out to me, sauntering like a runway model in heat. This time she is the aggressor. "Strip down." she softly commands. I do and she pulls me into her, flesh upon flesh and for the first time our bodies are in full contact and I feel the electricity between our skins. She kisses me fully and gently pulls me down on the sofa. She motions me to move my pelvis in close to her and opens my legs and scoots herself in until I could feel the wetness of her pussy and her soft lips hitting my clit.

The rhythm of our movements started getting faster and faster as we rubbed our pussies together. Our pussies were so wet now that they were making little squishing noises, but that just turned on the both of us even more...

Thursday to be continued...

I had my first real boyfriend in college. I kept my boyfriend for my freshman year and after that I didn't choose to have another when I could have many. I really started to get into sex and would often skip classes and have sex three or four times a day because my roommates would be in class. They missed out.
